# About Us

With a great experience in Concrete and terrazzo flooring, we always love to work on the Concrete and terrazzo projects. We are a manufacturer of high quality castinsitu cement floors, terrazzo floors, walls, Countertops, Cement and terrazzo Slabs & Tiles, planters and benches. We are also into 6mm concrete floors, colored IPS (Indian Patent Stone) floors, polished concrete floors and marble inlay in terrazzo. Handmade terrazzo floors are the core strength of our brand.

Flooring is part of one's heritage and cultural/artistic identity. Parman designs are elegant royal, classic, minimalistic, contemporary, and exciting that suit every interior & exterior design.

Being true to the traditional approach and having adopted the technical advancement & new materials our designs are liked by most of the design experts.

**We are makers, explorers, dreamers &  
lovers of everything Beautiful.**
